<input type="checkbox"/>	Data Science		
<b>Comments and Signature for proofreading the thesis:</b>			
<b>Proofreader's comments:</b>			
This research has been carried out very well and the topic has been given justice. The study has been explained well with enough detail. Suggestions were made to improve consistency. Everything seems to be in a good state.			
			
Proofreader's Name :	Contact No :	NIC :	Email :
S.U.Jayasinghe	0761011125	647570437V	Shivankajayasinghe64@gmail.com

-  Please remember that you as a student may have benefited from Interlibrary Loan Services and that the ability to have access to the latest research as well as literary works, from manuscript form to the final published form, is extremely important to the academic community.
-  By granting permission, you are not endangering your ability to publish your work in the future.
-  Your thesis is protected by copyright, whether or not you register your paper with the copyright office.
-  All copies will bear the stamp "This material may be protected by copyright law for SLIIT"
-  If form is not signed, the library assumes that we have your permission to copy.
-  Please return this form in with your thesis

 If you do not give permission to have your thesis copied, do not fill out the name, signature, and date at top of form.

 Please check this box, date and initial ☐.
